An appetizing array of mouth-watering dishes prepared by our hostess, Binita as well as many of the ladies present made the coffee morning even more delightful.

LAUGHTER... THE BEST MEDICINE

The 40 Year Curse

An old woman goes to the Wizard to ask him if he can remove a curse she has been living with for the last 40 years. The Wizard says, "Perhaps, but you will have to tell me the exact words that were used to put the curse on you." The old woman says without hesitation, "I now pronounce you man and wife."

Phat Cat Grumpy

A brown and white Showshoe cat was walking down the street with a Doberman walking along side. I remarked that this was an odd sight to see. My son said, "Not so much, if you had the money grumpy cat has, you'd have a bodyguard too."
