If a woman listens to u for less than 5 minutes then she is ur daughter.  
If a woman listens to u for about 15 minutes then she is ur sister.  
If a woman listens to u for over 30 minutes then she is ur mother.  
And ultimately...  
If a woman pretends to listen to u all the time but does not remember a word of what u said no matter how important, then she is.....???????

Two snakes are walking down the street. "Oh man, I have to ask you something," the little one said.

"What is it?"

"Are we dangerous?

## THOUGHT OF THE DAY

**THOUGHT**  
of the day

"What lies behind us and what lies  
before us are tiny matters  
compared to what lies within us."  
~ Oliver Wendell Holmes

"You can tell whether a man is  
clever by his answers. You can tell  
whether a man is wise by his  
questions."

Doing what you  
like is freedom.  
Liking what you  
do is happiness.
