## JOKE OF THE DAY

### Joke Of The Year

A man is flying in a hot-air balloon and realizes he is lost. He reduces height and spots a man below. He lowers the balloon farther and shouts, "Excuse me! Can you tell me where I am?"

The man below says: "Yes, you're in a hot-air balloon, hovering 30 feet above this field."

"You must be an engineer," says the balloonist.

"I am," replies the man. "How did you know?"

"Well," says the balloonist, "everything you have told me is technically correct, but it's no use to anyone."

The man below says, "You must be in management."

"I am," replies the balloonist, "but how did you know?"

"Well," says the man, "you don't know where you are or where you're going, but you expect me to be able to help. You're in the same position you were before we met, but now it's my fault."

### CHRISTMAS DINNER

A little girl is in the kitchen watching her mother prepare for the following day's Christmas dinner. She asks, "Mommy, can I please have a cat for Christmas?" Her mommy replies, "No honey, you'll have turkey just like the rest of us."
