

CORONA Plateau Mauritius

From the Chair

At our July meeting, 28 members were present and they were all very keen to hear about the new products to be presented. The meeting started at 10.30 a.m. with me introducing our guest speaker Mr Michael Sik Yuen to all the members present. Many members barely recognised the previous Minister for Tourism and were keen to hear what had brought about the remarkable change in his appearance. Mr Sik Yuen thanked Corona for having given him the opportunity to be among us and to present to us the remarkable products he attributed his change to.

As we all want to look young nowadays, he gave a presentation of the product line "Jeunesse". This new range has been developed in America with products for the skin and other supplements to keep oneself young and in good health. Some members were asked to come forward for a demonstration so that we can see the change for ourselves. Members who are interested to buy the products can register themselves with me. The monthly raffle was a bit more exciting than usual and amount collected was MUR1,750.00.

The cake for the raffle was donated by Rosemarie and was won by Denise. Mr Sik Yuen offered one box of his products on display which was raffled and won by Neesha and there was also a bottle of wine from Marylin Richard which was put on raffle and won by Denise.

Corona World Wide (a registered Charity) provides advice and support but above all offers friendship and community.

Corona Worldwide was originally the women's Corona Society set up by the Colonial Office to support wives of officers being sent to work in the Commonwealth. As the world has changed so has the original Corona framework, from a Commonwealth focus to a general worldwide remit. Corona Worldwide through its network of branches both in UK and overseas now helps women from all walks of life to adapt to new and different countries and cultures. Corona Worldwide is experienced and confident in easing women's entry into new countries by putting them in touch with its many overseas branches or with a helpful in-country contact where there is no branch. In the UK the role has changed and developed in a way not envisaged by the founders but which evolved out of their original idea of offering support and friendship.
